

Dear Womens Club-

Thank you both so much for donating to my scholarship fund. Don't worry, I'm using it up well I can assure you. Junior year has by far been the toughest year yet, but not tough enough to bring me down! First quarter, I got straight A's for the first time ever! In addition to academics, I've also gotten involved with Theatre Xavier, and got to cast in the play "A Midsummer Night's Dream" by William Shakespeare. I've met some of the most amazing people ever, and have made experiences I will not forget for years and years to come. This school year has been life-changing, so I truly thank you for helping to make it a possibility.

Sincerely,

Sean Nelthard
